Facilitator Certification Process Workshop

DDI's Facilitator Certification Process workshop is designed to build the knowledge and skills facilitators need to, not only become better in facilitating a workshop, but also to become strong talent development agents within their organizations. Learners will build their confidence and ability around four competencies by participating in a variety of activities providing them with opportunities to practice facilitating DDI content. They also learn about their critical role in supporting employees beyond the formal classroom.

Program Fee: PHP 152,913.60

2020

November 5-6, 9-10, 2020

Virtual Classroom Facilitator Booster Session

This engaging half-day session is designed for certified DDI facilitators who are transitioning from classroom delivery to the virtual classroom environment. This session will help you understand how the competencies learned in DDI's FCP translate into becoming an effective virtual classroom facilitator. Learn how the classroom course design has been modified for a highly engaging virtual classroom delivery and identify development opportunities to enhance your virtual classroom delivery skills.

Program Fee: PHP 22,400

Duration: 4 hours

Mode of Delivery: Virtual

Schedule upon request

Targeted Selection®: The Art and Science of Behavioral Interviewing

The interview is one of the most critical parts of the selection process. To ensure success, best hiring decisions are made by collecting high quality data around job-related criteria for success. This course builds interviewers' skills of hiring managers and their teams using an objective, consistent, fair and unbiased process for interviewing and evaluating while giving the candidate a chance to shine.

Program Fee: PHP 40,355.84

Duration: 1 Day

Mode of Delivery: Classroom or Virtual

April 24, 2020

June 26, 2020

August 28, 2020

October 22-23, 2020

December 3-4, 2020

Targeted Selection®: Trainer

Certified Targeted Selection® trainers allow you to efficiently build your TS® interviewer base. The three-day Targeted Selection®: Trainer workshop will enable individuals from your own staff to deliver the interviewer workshop directly to others in your organization. Additionally, because of the long-term nature of a Targeted Selection® implementation, TS® trainers can ensure that interviewers' skills are kept sharp by delivering on-demand coaching and refresher training.

Program Fee: PHP 109,760

Duration: 3 Days

Mode of Delivery: Classroom or Virtual

February 4-6, 2020

June 2-4, 2020

October 5-7, 2020

Success Profiles: Analyst Certification

Success ProfilesSM is a comprehensive job analysis and competency modeling system that lets your organization quickly and accurately identify the competencies and motivations needed for successful job performance. This session equips individuals in your organization to facilitate the process efficiently and effectively using DDI's Success Profile's Card Sort process.

Program Fee: PHP 127,680

Duration: 3 Days
